**Health | Relationships | Problem Children | Profession | Business |
Repetitive Life Patterns | & More**

Family & Systemic Constellations is a practical method to work with any life matters: relationships, health, profession, business. This work helps reaching the root of the problem and leaving it in the past, where it belongs, freeing your energy for life. Family & Systemic Constellations method by Bert Hellinger is very well known in Europe, China, and South America.

First Introductory Hour - FREE

This will be a group session. During the session all participants will have a chance to experience their own work or to participate in so called systemic movements. If you feel like there is something holding you back from your healthy and successful life, and you are ready to work on it, Family & Systemic Constellations might be the method to look at the root cause of the problem.
